

# Power your career forward

Simmons & Simmons is a leading international law firm with over 2,000 people and 21 offices located in major business and financial centres throughout Europe, the Middle East and Asia.

Our energy and infrastructure practice is leading the way in the delivery of high quality advice to market leading companies in the energy, infrastructure, transport and defence industries. We act for lenders, sponsors, project companies and governments on the acquisition, development and financing of major energy and infrastructure projects.

We are currently looking for exceptional, solution orientated lawyers at all levels of experience to join our fast growing and highly rated energy and infrastructure group, including:

- **Energy and project finance lawyer 5+ years' PQE**
- **Construction lawyer 3+ years' PQE**
- **Projects lawyers 2+ years' PQE**
- **Projects lawyers NQ+**

These roles are based in our **London** office.
